NAG Foundation

NAG Foundation, Pune is a dedicated non-profit organization committed to creating a positive and lasting impact on society through healthcare, education, social welfare, and community development initiatives. The foundation believes that every individual deserves access to quality services, equal opportunities, and a dignified life.

The core values of the foundation include integrity, compassion, transparency, accountability, inclusivity, and excellence. These principles guide every initiative and encourage ethical practices while serving communities with dedication and respect.

The behaviour of the organization reflects professionalism, empathy, teamwork, innovation, and a strong commitment to social responsibility. Volunteers, staff, and partners work collaboratively with beneficiaries, ensuring respect, trust, and meaningful engagement in every project.

The primary objectives of NAG Foundation are to promote quality healthcare, support educational opportunities, empower underprivileged communities, encourage skill development, raise awareness about preventive health, and foster sustainable social development through partnerships and community participation.

Over the years, the foundation has achieved significant milestones by organizing health awareness campaigns, medical camps, educational programs, community outreach activities, and charitable initiatives that have benefited thousands of individuals. Through strategic collaborations with healthcare professionals, educational institutions, and social organizations, NAG Foundation continues to expand its reach and strengthen its impact. Its unwavering dedication to humanitarian service and community empowerment has earned the trust and appreciation of the people it serves, making it a respected organization committed to building a healthier, more inclusive, and socially responsible society.
