EXCELLENCE IN ONCOLOGY SERIES 9

Program Director

23rd May 2026

18:00 - 21:00

Dr. Shivam Shingla

Dr. Shivam Shingla is a highly accomplished Medical Oncologist at S. L. Raheja Hospital, Mumbai, known for his expertise in delivering comprehensive and evidence-based cancer care. With strong academic credentials including MD, DNB in Medical Oncology, and MRCP (UK), he has also received advanced international training, enhancing his approach to modern oncology practice.

He specializes in the management of solid tumors and hematological malignancies, with a keen interest in lung cancer, breast cancer, and gastrointestinal cancers. Dr. Shingla is well-versed in chemotherapy, immunotherapy, and targeted therapies, focusing on precision medicine to achieve optimal patient outcomes. Recognized for his compassionate and patient-centric approach, he ensures that treatment decisions are tailored to individual needs, balancing efficacy with quality of life. His commitment to clinical excellence, research, and continuous learning makes him a respected name in oncology.

Regards
Dr. Shivam Shingla
